ISO 099: Video 2

[Male student #1]: Welcome to Washington State University!

[On screen]: Video clip of WSU OAs welcoming new students.

[Male student #1]: At WSU, there is hundreds of ways you can get involved

[Male student #2]: Where you can establish.

[Female student #2]: This is where lifelong friendships are made.

[Male voice]: What sets Washington State University apart is the campus atmosphere. At WSU, everything you need is right here, which is why nearly all students can walk or bike to class. Hi-tech classrooms offer state of the art teaching up to touch of a button.

[On screen]: Video clip of a tour of WSU campus featuring student speakers

[Male voice]: Unrivaled athletic events bring together students and alumni. At the center of campus, stands the new Martin stadium built on the solid foundation of the great athletes who have gone before. Music.WSU athletes and their fellow students make one of the most active student bodies around. From zumba to pallodis, basketball to swimming, at the university Recreation Center, there are activities for everyone.
